

MINISYMPOSIUM  
VERFAHRENSTECHNIK  
2015

**Invitation  
to the  
11<sup>th</sup> Minisymposium of process engineering**

and to the  
**2<sup>nd</sup> Particle-forum**

14<sup>th</sup>-15<sup>th</sup> of April 2015  
University of Natural Resources and Life Sciences, Vienna

Dear friends of process engineering,

we are glad to host the 11. Minisymposium of process engineering!

Everybody doing research in the broad field of process engineering is welcome to send in contributions. Short papers for the Minisymposium (four pages) and short abstracts for the Particle-forum (~300 words) can be submitted until the 30<sup>th</sup> of January, registration closes on the 1<sup>st</sup> of April.

We are looking forward to an interesting and fruitful symposium,

**Institute for Chemical and Energy Engineering (IVET)**

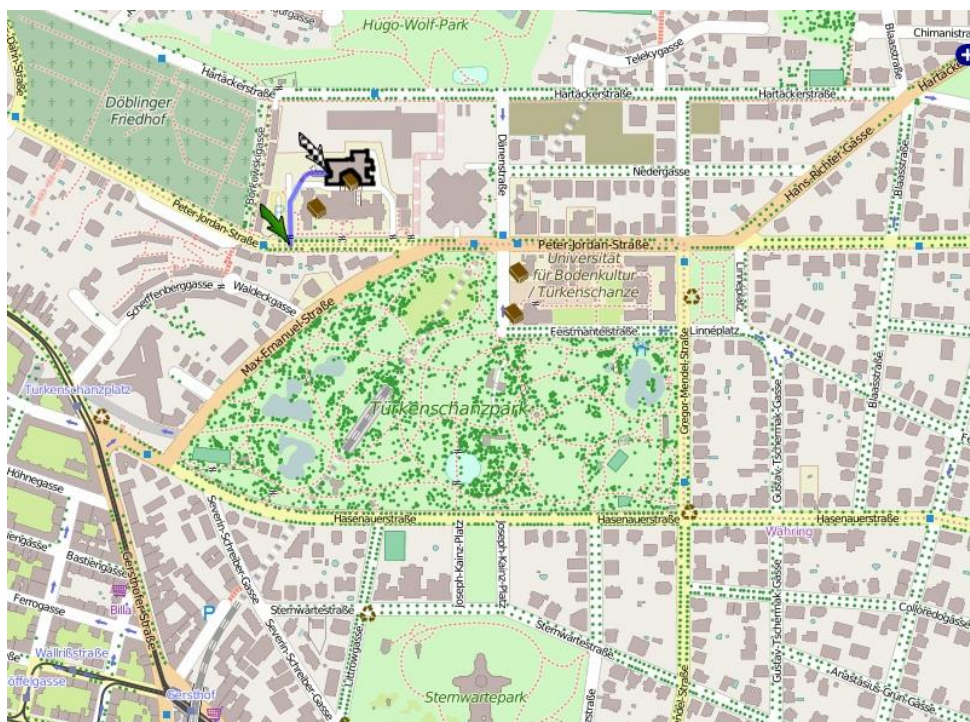

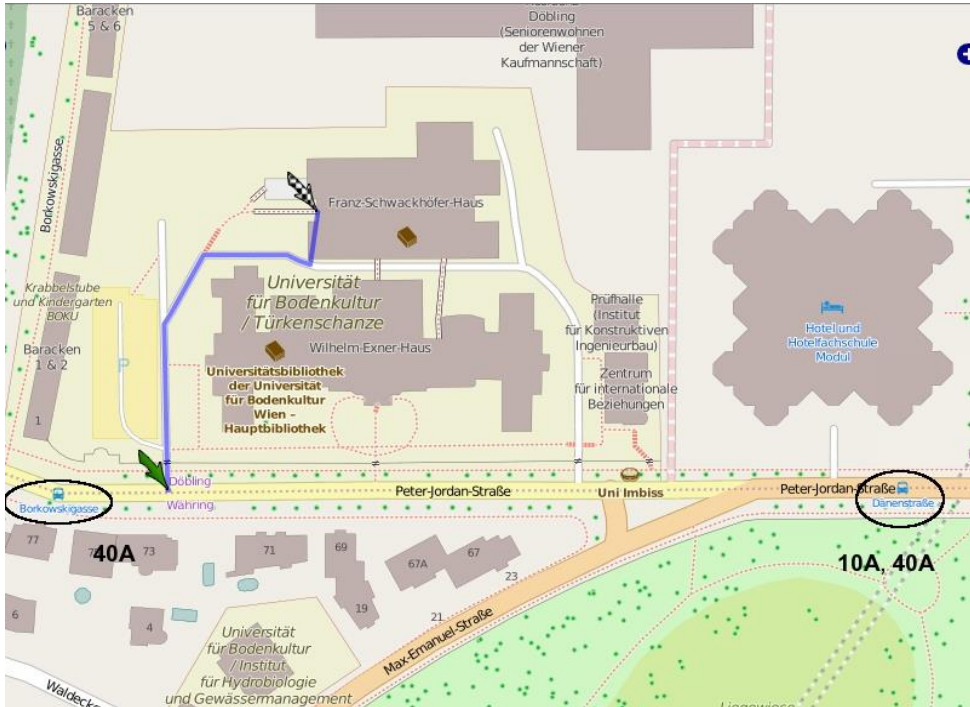

**Place:** Schwackhöferhaus, Peter-Jordan-Straße 82, 1190 Vienna

**Registration and information:** [chemical-engineering.at](http://chemical-engineering.at)

**Requests and information:** [minisymposium-vt@boku.ac.at](mailto:minisymposium-vt@boku.ac.at)

**Accommodation:** until the 19<sup>th</sup> of February rooms are offered at reduced prices at Hotel Parkvilla. Single room standard 88€, single room superior 98€. Just mention that you are a participant of the symposium when booking. Participants have to pay the room and costs for cancellation themselves. (<http://parkvilla.at>)

**Location:** the University of Natural Resources and Life Sciences has several locations in Vienna and Lower Austria. At the location called „Türkenschanze“ it consists of different houses. The Schwachhöfer-house is located at Peter-Jordan-Straße, behind Exner-house. Close by are the bus stations Borkowskigasse and Dänenstraße, where the lines 10A and 40A stop.
